Review of Treasurers Report

Homecoming concession brought in over \$1,000.00 for SSC

WEF

Bonfire, Fireworks, and parade signage paid for by SSC

Rozitsa Bartoshevich recommending permanent menu board with removable lettering for indoor concession. SSC will recommend to the Athletic department. Has been mentioned in the early plans that these type boards will be purchased by FHS to match the outdoor concession menu boards.

The directory has been completed and will be sent to membership asap. New membership will now be receiving SSC announcements and updates.

Membership is at reported 492 at this time.

The calendar raffle will be closing on Friday Oct. 18. Mary Burns reports there are at this time 1300 calendars outstanding. Mary feels confident we will exceed the amount earned last year and hit her goal of sell 1,000 calendars. The drawing will begin Nov. 5.

The Saber Den is in it's new location, adjacent to the indoor concession. It will be open for regular schedule during winter sports season. Jan Coenen has volunteered to coordinate the volunteers for the Den. A request will go out via email to request support for the Den. Krissy Rathkamp offered to help with the Den as well.

WEF dinner was catered with support of SSC again this year. Pam Lefebber and Carolyn Baranowski took care of the ordering, serving and coordinating dessert for the fair. This was Pam's last year to chair the WEF for us - Thanks for everything, Pam! Mrs. Baranowski will be taking her place starting next year, thank you too, Carolyn!

Conferences were held on Oct. 9 and the Den earned over \$600.00 in sales. Conferences will be happening again on Nov. 12 and the Den will be there. Please contact Jan Coenen if you can help man the Den that night!

Homecoming was reviewed and suggestions were made regarding the beverage tables at the dance. The biggest complaint was the "hot gym" during the dance. The parade went well. Court did not sit with whom there sign stated, instead they sat with their dates. Will have to clarify for next year. Youth football going last was an improvement, but was difficult to keep them from neighborhood front yards. Was exciting to have the new outdoor concession and bathrooms operational for the Friday night game.
